

To
Heads of the Departments / Centres

It was decided on 12th March 2020 that to maintain continuity in the teaching-learning process, in all the undergraduate and postgraduate programmes of the University, the study material shall be made available on a weekly basis on the website by the respective teachers of all Departments/Colleges/Centres. On 12th March 2020, a Press Release was also issued in this regard. It is therefore expected that the essential reading material of all courses, being offered in the current semester, is available on the websites of the Departments/Colleges/Centres concerned. If any Department for any reason has so far not been able to do so, it is again requested to get the essential reading material for undergraduate and postgraduate courses (books/chapters etc.) scanned or prepared otherwise in pdf format and make it available on its website by 25th April 2020. Every department is requested to send an action taken report by email to the Task Force on Covid-19 in the following format:
