

**DEPARTMENT OF BIOCHEMISTRY
UNIVERSITY OF DELHI SOUTH CAMPUS**

NOTIFICATION

Applications are invited from eligible candidates for the position of Senior Research Fellow in the DRDO-LSRB funded project entitled “**Development of Hemoglobin Based Artificial Oxygen Carrier - Engineered Recombinant and Packaged Hemoglobin**” under the supervision of the undersigned.

Senior Research Fellow (SRF) (1 post): Emolument – Rs. 28000/- + 24% HRA per month.

Essential Qualification: M.Sc in Biochemistry/ Life Sciences/ Biotechnology/ Biomedical Sciences/ Biophysics or related subjects in biological sciences, with first class (60% and above) marks in all the degree examinations. The candidate must have 2-3 years of research experience post master’s degree as evidenced by valid recommendation letter or experience certificate from appropriate authority or research publications in peer-reviewed journals. Research experience in protein based biochemistry, spectroscopy, molecular cloning, site directed mutagenesis and proteomics (mass spectrometry) is required.

Desirable: Prior experience with hemoglobin research or animal handling or liposome / nanoparticle research is desirable.

Complete application on plain paper along with CV and copies of marksheets, certificates, research experience letter or recommendation letter, copy of publication and other related documents should reach the undersigned within 21 days of this advertisement. Candidates meeting the required criteria will be called for an interview but no TA/DA will be paid. It is to be noted that the post is purely temporary and will terminate automatically without any notice or compensation on termination of the research scheme/project.
