KAJAL YADAV

DNA bola nahi katega tera din,  
Oh mere bin, mere bin, mere bin  
Nucleus mein tu mujhko dbake rakh le,  
Tbhi toh hongee tere kin, tere kin, tere kin.

Chal ab baat kre mere structure ki,  
A se jude T aur G se jude C,  
Pitch hoti meri 3.4 nanometre,  
Meri baat maan le warna tu kehlayega cheater ...

Gyrase ne aakr bonds kiye mere break,  
Par apun ko tension nhi ligase lga dega cellotape....  
5' to 3' mein complexity nhi but 3' to 5' mein aa jaate okazaki  
Double strand mein krta hoon main exist,  
H – bonding aisi koi naa kr paaye twist,

Ek se bhale do aur do se bhale char,  
Yehi h mera aim smjho mere yaar, smjho mere yaar ,smjho mere yaar ...

Single strand kehnda mainu double kro,  
Kahan h DNA pol usey khabar kro  
Aa gye saare primers aur aa gye SSB,  
Tb jaakr meri thodi himmat badhi,

Mil gya better half aur lagi lottery,  
Replication ho gyi khatam ab krenge tafree...

RNA polymerase aaye mere paas,  
Bole thoda RNA bna de mere yaar  
Main bola sigma factor ko toh aane de,  
Hum dono akele kya karenge aankhein char ...

mRNA se pucha kahaan h tera home ,  
vo bola main jaaunga hotel jiska naam hai ribosome ..

wahaan par hogi party sharty jo chalegi puri raat,  
aayega tRNA apne biwi bachcho k sath,  
50S aayi usne jamayi mehfil,  
P se bola A tRNA aage khisak sak sak,  
Baby what the...

Dheere dheere baat aage badhne lagi ,  
Aayi protein ki haseena aur sbki taaliyaan baji,  
mRNA kehde ohnu mere naal tu chal  
par yeh sunkar sabki nikli hasi..

Protein nu vi aaya tha cell da phone,  
Kehnda enzyme hogye khatam jaldii aaja mere kol

Agar acha lage rap toh kehna Eminem,  
Warna...  
Karlo rehem thoda krlo rehem  
Karlo rehem thoda karlo rehem!!
