

We are Indians!!!

Sanjay Kumar Dey; 15th August, 2017

We are Indians!

With our big heart and our beautiful soul;
We always play a significant role-
Either to achieve a Local
Or to achieve a Universal Goal!!

We are divided by languages, united by love!
We are Indians-
Simply we are known as the knowledge hub!!

Darjeeling Tea or Keralite Coffee,
Kashmiri Apple or Himachal Ghee!
Similarly, the Indian Rice and the Indian Spice,
The world agrees that these are awesomely nice!

For, Mahatma Gandhi or APJ Kalam;
Whole world gives us polite salam!!
For, Shahrukh Khan or AR Rahman,
We Indians have world-wide fan(s)!

Yes, we are Indians!

From the field of battle to reaching Mars;
We feel proud when others just say it's harsh!
Because,
We believe that yes we can;
Yes we can break the terrorist's plan!!
Yes they must know that,
From Leh-Ladakh to Indian Ocean;
"Live and let live"-this is our slogan!

We are Indians!
Threaded by rivers, bounded by harmony;
Crowded by cultures;
And
Surrounded by natural symphony!

Reacting polite, and behaving kind;
This is our India, this is our mind!

Thus,
Bengali or Punjabi;
Kashmiri or Tamil,
Let's all scream with glee:
I love my India!
I love my India!!!
