2018 Student Feedback Action Taken Report

S. No.	Feedback	Action Taken
1.	Course contents should be revised with	The syllabus is being
	involvement of students. Unnecessary contents	revised keeping in
	/topics should be deleted or modified; as there is	consideration the feedback.
	a lot of repetition of such topics. Appropriate	It is expected to be
	paper should be introduced into the syllabus for	implemented from July
	the students of other courses entering in the	2018. We will have
	department of Biochemistry through entrance	extensive student-teacher
	mode. Academic burden should be reduced in	interactions and the
	semester III and IV; as it is crucial for	feasibility of suggestions being incorporated will be
	competitive exams. Add subjects from other	discussed in details and
	department. (eg. Genetics). Only one seminar	appropriate measure will be
	paper in first semester. Seminars should be	taken.
	given according to lab work. Some of the course	tanen.
	with overlapping syllabi can be merged. For eg.	
	Cell biology and cell signaling can be merged into one. Microbiology should rather be covered in	
	earlier semester whereas Bioinformatics should	
	be covered in 3 rd Semester. As far syllabus of	
	biochemistry is concerned, syllabus is being	
	covered widely and taught practical aspects but	
	there should be more emphasis on theoretical	
	things also, in details. There could be addition of	
	genetics and most important subject should be	
	less in last semester. Bioinformatics practical	
	can also be included. More emphasis should be	
	given on the recent advancements in our field.	
	Student should not be under so much pressure	
	that the freedom to think and do research	
	independently is affected. Rest practical	
	exposure is very good.	
2.	Saturday should be given as an "off" day as	The syllabus is being
	already done in colleges. Gazetted off & winter	revised to have open
	vacation should be given.	elective courses on
		Saturdays. This will enable
		students to finish classes
		early.Classes are suspended
		during vacations, breaks
2	Logo DDT's should be given as it leads to me.	and holidays.
3.	Less PPT's should be given as it leads to more	Tests and assignments are given to enable revision and
	pressure. There should be less pressure on	for internal assessment.
	students (of multiple seminars, internal tests, assignment) during course of study.	Student presentations are
	assigninency during course of study.	useful for their learning
		process, while also
		improving their oratory
